

For third quarter, your project will be to develop a presentation on a topic chosen from the ChemMatters online archive. You may also get alternative topics approved through Ms. Neiman. **This paper must be turned in with your Presentation.**

My ChemMatters Month and Year is _____

These articles can be found through the link on my teacher page. If you do not have internet access at home, please let me know and I will make other arrangements. **Please note that the pages on ChemMatters load slowly because they contain many pictures and details.** You MUST notify me of your chosen article by **Feb 22nd**. Presentations will be the **week of March 19th**.

The title of my chosen article is: _____

- You will present your topic to the class.
- Your presentation should be **2-5** minutes in length.
- You need to have some type of visual aid.
- **You may create a PowerPoint presentation** See also: Note at bottom of page.
- You need to define and explain at least one new term.
- You must explain how this topic impacts the world.
- You may NOT read your presentation.
- You will turn in a 1 page (minimum) report on the topic that addresses material that will be covered in the presentation.
- The report will include a works cited that includes the ChemMatters article and at least TWO additional sources, properly cited in MLA format.

Scoring Rubrics **The report MUST be turned in on the same day as the presentation.**
